WAIVER OF LIABILITY AND ASSUMPTION OF RISK

Please read carefully

By signing this agreement I agree to exempt, waive and relieve from liability for personal injury, property damage and wrongful death, including if caused by negligence or condition of premises, the State of California, County of Santa Cruz, Santa Cruz Superior Court, Santa Cruz County Law Library and their employees, agents, volunteers, officers, trustees and directors, hereinafter designated releasees.

I acknowledge the existence of risks and dangers associated with use of the law library after posted hours of operation including, but not limited to, inadequate security and lighting in the building, the parking lot and the surrounding area, and that the facility is located in the basement of a building located in a flood zone and injury or death might occur in the evacuation of the building during a flood.

Participant further acknowledges that there may be risks and dangers neither known by, nor reasonably foreseeable to, releasees. Participant acknowledges that all of the risks and dangers, whether known or reasonably foreseeable or not, are included within this waiver and release.

In consideration of the participant's access to Santa Cruz County Law Library premises, facilities and resources after posted hours of operation, I waive, release and relinquish any and all claims for liability and causes of action, including for personal injury, property damage, or wrongful death arising out of use of the law library premises, facilities and resources whenever or however they occur, including ingress or egress to the law library and parking in the vicinity of the facility.

I further understand and acknowledge that the Santa Cruz County Law Library may, from time to time, modify its posted hours of operation and thus those hours deemed "after posted hours" under this waiver and release will likewise be modified and could be canceled altogether.

I agree that if any claim or action for my personal injury, property damage or wrongful death is commenced against releasees, I shall defend, indemnify, and save harmless releasees from any and all claims or causes of action by whomever or wherever made or presented for my personal injury, property damage or wrongful death.

If the law in any controlling jurisdiction renders any part of this waiver unenforceable, the remainder of this waiver shall remain enforceable to the full extent of the law.

I acknowledge that I have carefully read this waiver of liability and assumption of risk and fully understand that I am waiving any right that I may now or hereafter have to bring a legal action to assert any claim against releasees in connection with my use of the Santa Cruz County Law Library after posted hours of operation. I intend that this waiver should be binding upon my heirs and assigns.
